

6312499 Headlight conversion, tourist solution, RHD/LHD traffic

(-) Affixing adhesive film for tourist solution, RHD/LHD traffic conversion, to headlight

Attention

Nature: Component damage

Description: Commercially available adhesive tape will damage the plastic cover over the light

Avoidance: Use only the special, black adhesive film for bodywork applications available from trade outlets.

- Cut the adhesive film to size and apply it to the headlight. The rule is: (1)= conversion from left-hand to right-hand traffic;(2)= conversion from right-hand to left-hand traffic.

(-) Removing adhesive film for tourist solution, RHD/LHD traffic conversion, from headlight

Attention

Nature: Component damage

Description: Damage to the plastic cover over the light

Avoidance: Do not use solvents such as acetone, cellulose thinners, or similar products.

Do not use cleaning agents such as scouring powder or scouring solutions, and do not use scouring pads or similar products.

- Remove the adhesive film from the headlight.
- Use only a proprietary alcohol-based windscreen cleaning fluid to remove residues of the adhesive, if necessary.
